Monday 10th November 2014 Presentation of Railway & Industrial Heritage Paintings by Rob Rowland GRA

Artist & illustrator Rob has been painting professionally since 1990. His particular interest is the atmosphere & splendour created by our industrial engineering & architectural heritage, especially that of the Victorian period. Rob's subjects include railways, canals & traction engines set in past industrial scenes.

Rob's illustrated talk includes a selection of his paintings, the stories and inspiration behind them, and his experiences on the way.

All Welcome

This talk commences at **19:30** in F.E's Barnwood's S&SC Pavilion. Enquiries to Frank Colls please on Gloucester (01-452) 538366 answer-phone available
